ABOUT PALS THRIVE

Butler Enterprises is proud to support PALS THRIVE. PALS THRIVE provides free counseling and mental health services to teens within a school environment focusing on bullying, suicides, and violence prevention. This organization offers an altruistic atmosphere in schools where mental illness is understood, diversity is supported, and all teens feel included and valued. PALS THRIVE is in all public high schools in Gainesville, Florida. PALS THRIVE was nominated for the Nobel Peace Prize and won the prestigious Sapphire Award from Blue Foundation. PALS THRIVE relies on donations for support and expansion to other schools in our area.
