Cornerstone Academy is dedicated to the classical model of education through a Christian world view. A classical education creates a well-rounded student with a logical mind and a virtuous heart. It is built upon the best of the Western traditional canon through curriculum and philosophy which acknowledges current understanding of child development

and growth. Classical education instills in students a large body of factual knowledge (grammar school), trains them to logically organize and analyze these facts (logic school), and gives them the tools to put forth a reasoned and persuasive argument (rhetoric school). Classically educated students are coherent, thoughtful, and eloquent writers and speakers who are grounded in virtue. All our courses are presented to students through the lens of the Bible, training our students to evaluate and articulate their experiences in the light of the Scriptures. Not only does Cornerstone teach from a classical style, but science and mathematics, and technology are also presented in a full STEM program. Cornerstone students are prepared to be thinkers and leaders and ready to help shape their Universities and fields of interest as they head out into the world.

The Einstein School

Ages: 2nd – 8th Grade
Teacher/Student Ratio: 1:5
Annual Tuition: Free

The Einstein School is a charter school for students with dyslexia and other reading or language difficulties. We opened in August 1999 with the very specific and unique mission of serving the needs of students with dyslexia, language or speech impairments, and/or other language-based reading difficulties. Our program is designed for students in grades 2–8 who are struggling academically due to these difficulties. Research-based methods are used to teach our students the critical skills they need for sounding out words when reading. They learn to see, hear, and feel each specific mouth movement. By using hands-on activities whenever possible and providing small group instruction in reading, language arts, and math, we give students opportunities to succeed in their areas of strength, as well as remediate their weaknesses.

B'nai Israel Community Day School

Ages: 3 months - Pre-K
Teacher/Student Ratio:
 small class sizes

B'nai Israel Community Day School is deeply rooted in the Jewish value of Hachnasat orchim, embracing the ethos of welcoming others. For over 45 years, the school has been nurturing young minds, instilling a lifelong love of learning that inspires the next generation of community leaders.

We use a play-based learning approach, allowing children to explore, discover, and develop into their unique selves. We offer a range of enriching programs, including nature exploration, music, movement, and art, enhancing cognitive, creative, and physical development. Moreover, the indoor sensory gym provides a safe space for children to develop motor skills.

Registration begins on January 22nd. We offer full-time and part-time options, winter and summer camps. Please call our office for more information. Our school is where community, learning, and values converge.

Welcome to Oak Hall School.

Oak Hall School is a place where educational excellence meets individual growth. Our commitment to providing a unique and nurturing learning environment sets us apart.

Oak Hall is more than an educational institution; it's a supportive community where students, parents, and faculty collaborate to create a positive and inspiring learning and personal growth environment. Our academic programs promote critical thinking and a lifelong love for learning. Our comprehensive arts and athletic programs allow students to explore their interests, encouraging well-rounded development.

Safety is one of our top priorities at Oak Hall. Our campus has advanced security measures, providing a secure and nurturing atmosphere. Rest assured that your child is well-cared for in every aspect of their school life.

Our faculty and staff are not just educators; they are mentors who are committed to helping your child thrive academically and personally. In our Lower School, students benefit from enriching science, art, music, chess, and Spanish courses. As students progress, our college prep curriculum, including AP, Honors, and College Prep courses, prepares them for future success. Our Distinguished Scholar Program, providing immersive inquiry in arts, integrated sciences, and global studies, offers another unique opportunity for students.

Our college counseling team provides guidance and support to prepare students for higher education. We offer extensive student support services to address individual needs. Join the Oak Hall community and explore an educational experience that extends beyond the classroom.

We invite you to campus to join us on one of our monthly Saturday tours. Tour dates and registration information can be found at www.oakhall.org/visit. For additional information, please contact Nancy Coleman at ncoleman@oakhall.org or Brittney Frisina at bfrisina@oakhall.org.

Gainesville Christian Community School (GCCS) offers a private education for our children ages Kindergarten-12th grade. GCCS was started in 2013 with only eighty students and has grown each year. GCCS offers small class sizes in kindergarten through fifth grade, with experienced Teachers and Staff. Our academics include Art and Music classes as well as the core subjects. Middle School and High School rotate for each class every day. Not only do our MS/HS get their core classes daily but are able to select a variety of electives, including, but not limited to, robotics, art and so much more. We offer dual enrollment at the age of fifteen to Santa Fe College. GCCS has a variety of sports programs for Middle and High school. We are expanding with building twenty-seven classrooms that will also house our very own gym.

We base our philosophy and approach at Education Station & Preschool on years of education, experience, and research. We believe that given the proper environment, nurturing, and tools, all children can grow and develop into successful and adaptable adults. We provide that environment for families in the Gainesville area.

We use a set of core values to guide our decision-making.

- **Welcoming Community.** We want our school to be welcoming to you and your family always, whoever you are.
- **Valued Individuals.** We respect and value each unique individual in our community, Your voices, and your values.
- **Teachers-first; Child-focused.** We are educators who are enthusiastic about learning, and we ensure the needs of our children come first.
- **Open, Honest, Effective Communication.** We believe proactive communication is the foundation for healthy relationships.
- **Forward Thinking Leadership.** We anticipate, plan, reflect, and replan so that we can always be moving forward positively.

The children in our care have a variety of experiences that encourage and strengthen their skills and abilities and enhance their development in critical areas like fine and gross motor skills, social and emotional skills, scientific exploration, mathematical thinking, visual literacy, verbal expression, emerging reading and writing skills, and beginning technology skills. Our teachers implement a professionally prepared curriculum designed to create engaging opportunities for learning in these areas. We provide these enriching experiences in a loving, safe, healthy, and developmentally appropriate way. We also offer freshly made and healthful meals and snacks.

At ES&P, our mission is to give children a better early learning experience. We work in concert with parents and caregivers to create a welcoming learning environment and build lasting relationships. We will help raise the children in our care to reach their full potential and become happy, healthy adults with a lifelong love of learning.

At Gainesville Country Day School, we are committed to accepting children as they are, with their own backgrounds, experiences, interests, natures, and abilities. Our teachers are dedicated to helping children learn, grow, and find success in coming to school.

GCDS's curriculum emphasizes active rather than passive learning and activities are designed to encourage independence and creativity. Attention is given to utilizing basic skills and applying them in increasingly complex projects and activities. Our curriculum consists of integrated subject matter areas and flexible curricular experiences designed to meet the needs of children of different levels of ability and experience. Our low student-teacher ratio makes it possible to provide a varied and stimulating range of learning experiences for each child.

Millhopper Montessori School (MMS) offers an extensive, developmentally-appropriate private educational program for ages two through eighth grade. Since opening in 1977, MMS has acquired and maintained a reputation for providing high-quality education and a strong foundation for children in our community. It is one of only two area schools accredited with the Florida Council of Independent Schools. MMS is also accredited by Cognia and affiliated with the American Montessori Society.

MMS students are given opportunities to explore real-world concepts and issues, challenge assumptions, think critically, and acquire skills that they will need to apply throughout their educational and future professional journeys. The low student-teacher ratio, one-to-one and small group instruction by highly credentialed teachers, and complete Montessori curriculum enable children to have an enriching educational experience. Intrinsic and individualized learning are at the core of the Montessori method, which strives to develop self-discipline and confidence. Students engage with a rigorous STEAM-focused academic program while ensuring their social, emotional, and physical needs are met as well.

At MMS, our family of professionals is big enough to offer a complete curriculum and small enough to know your child. Many of the teachers and staff have been a part of the MMS family for over 20 years. Some alumni have joined the team and second generations of students are now attending the school. MMS was founded in 1977 by Christina Miller, who continues to serve as the Head of School. MMS has been the starting point for many success stories with alumni who have gone on to a range of exciting professions.

Call now to schedule a tour and learn how your child will benefit from the educational program at MMS. Enrollment is open and scholarships are available.

Celebrating 50 years, Jordan Glen is a hidden gem that has produced countless alumni that credit it with providing some of the happiest memories of their childhood. The school is situated in SW Gainesville on 20 beautiful acres. Walk around our grounds and it will be apparent why our school is such a special place.

We have a strong commitment to academic excellence and value individual differences and personal, social, and global responsibility. Our experienced educators give us the opportunity to understand each child's specific creative, social, emotional, and intellectual needs.

We are advocates of children and childhood. We want our children to enjoy their time spent away from home and feel that we exemplify our belief that the joy of living and love of learning need never be separated.

Resilience Charter School

Grades: 6-8
Teacher/Student Ratio: 20:1
Annual Tuition: Free

Resilience Charter is a student-centered school where curiosity and exploration drive the learning process. Our students are able to think critically, learn by doing, and take charge of their own education. We use restorative practices to ensure all students, staff, and families feel safe, respected, and supported, and our small size allows us to develop close personal relationships with students. With a mission focused on project-based learning, environmental stewardship, innovation, and social justice, we prepare our scholars to be global citizens in the 21st century.

Founded in Gainesville in 1998, O2B Kids is celebrating 25 years in business! O2B Kids now has 60 locations across Florida, Georgia, Missouri, Minnesota, and is still growing rapidly! There are 6 NATIONALLY ACCREDITED schools right here in Alachua County! O2B Kids provides unparalleled education for infants, toddlers, and preschool children along with after school, summer camp and enrichment classes for children up to 13 years of age. While our programs and facilities vary by location, our commitment to ENRICHMENT variety, ENGAGING PLAY, and life-long learning guides us daily. We're the school that both YOU and your child will LOVE!

Want to know a secret? Teaching preschoolers their colors, shapes, letters, numbers and how to count - that's the easy part for teachers like us at O2B Kids! The real question is...will they learn how to THINK for themselves? Will they learn how to make smart decisions and form their own opinions? Will they learn to problem solve and manage their emotions? Will they learn how to make friends, actively listen and ask questions? At O2B Kids, our INTEGRATED LEARNING SYSTEM prepares your child academically, socially and emotionally. We are passionate about Early Childhood Education and work together with you, the parent, to ensure your child's learning goals are met...all while instilling a love for learning.

So, how do we do it? We offer a variety. We expose kids to a wide array of activities. We also talk to kids. We ask meaningful questions and have real conversations. And this begins with infants. Research proves that the first five years are key for brain development. Our curriculum is based on learning through PLAY and we know Experiences Wire the Brain. The more experiences the better, especially in young children. We're building the foundation for a thinking brain...and we're passionate about it!

Queen of Peace Catholic Academy

Ages: PreK to 8th

Average Teacher/Student Ratio: 12/1

Financial Aid: Yes

Welcome to Queen of Peace Catholic Academy, Home of The Saints! Founded in 2000 by the Sisters of The Immaculate Heart of Mary, QPCA serves as a strong foundation for PreK - 8th Grade. Our mission is to challenge, inspire, teach, and nurture young scholars as we prepare them to become lifelong learners and prolific members of their community.

**We are a 2023
Blue Ribbon School!**

At Queen of Peace Catholic Academy we educate the whole child—spiritually, intellectually, culturally, and physically. We believe that each child is unique, and we seek to develop our scholars to their fullest potential.

We work collaboratively with families to help our students grow into adults with the desire to share his or her gifts, talents, and skills necessary to meet the challenges of our ever-changing world.

Our rigorous curriculum is aligned with the Diocese of St. Augustine and as an enhancement of our core subjects, we also offer S.T.R.E.A.M. (Science, Technology, Religion, Engineering, Art, & Music), Spanish, Chinese, Physical Education, Robotics, Band, Choir, Music and Media Research beginning in Pre-K and continuing through 8th Grade. We recognize the importance of nurturing each child's varying talents and abilities. As a school community we have embraced the use of technology as a way to engage our students in the learning process. The utilization of technology allows our students to develop the skills necessary to actively engage in a responsible manner in the global learning community.

I personally invite you to visit our school and see for yourself the amazing things we are doing at Queen of Peace Catholic Academy.

Blessings,

E. Therese Majewski

St. Patrick Interparish School

Ages: Grades Pre-K 3 - 8th
Financial Aid: Yes

St. Patrick Interparish School is dedicated to developing conscientious, creative, and competitive students beginning at age 3 and continuing through 8th grade. Our educators offer a nurturing environment with small class sizes, ensuring personalized attention for every student. Alongside academic rigor, our enrichment classes in Art, Band, Choir, Media, P.E., Spanish, and Technology begin in early elementary, encouraging diverse interests and talents. St. Pats' strong athletic program offers opportunities in soccer, volleyball, flag football, basketball, track, and cheer, promoting teamwork and physical fitness. We strive to make quality education accessible by accepting scholarships including Step Up for Students and VPK. Join us at St. Pats, where every child is encouraged to reach their potential in a diverse and supportive community that fosters religion, respect, and responsibility.

Sunny's Pre-School at Sun Country Sports Center®

Ages: 2.5 to 5 years **Teacher/Student Ratio:** 1:9
Tuition: Visit our website for prices and policies

At Sunny's Pre-School, we provide developmentally appropriate learning activities in a supportive, physically active, and engaging environment. We believe a child wasn't meant to sit in a classroom 8 hours a day. We make sure our students play! Research shows that play has the amazing benefit of creating a safe space for children to engage and interact with the world around them, promoting their natural curiosities and problem-solving skills. We focus on kindergarten readiness by combining social-emotional learning with sports and our engaging academic curriculum. By focusing on the health and happiness of the whole child, we provide the foundation for their future success in school and beyond.

This program is licensed by the Department of Children and Families (DCF) (Lic #C08AL0013) and has achieved national accreditation through the Council on Accreditation (COA).
